first national REAL ESTATE | Gerard Smith

14 Cherry Road Lakesland NSW

4 2 3

We are proud to offer "Stoneyfield? to the market an exclusive rural property located in the rich cherry growing district of Lakesland. There is plenty of appeal & character in the sale of the charming country residence.

The current owners have put a lot of hard work into the property with the mature established gardens and amazing presentation of the home. The property has an abundance of native wildlife including a variety of birds and kangaroos. Enjoy the walking and riding trails within the property.

The majority of the land is natural bushland with a third cleared. The property is elevated with distant rural views. The home has had a full renovation in recent years with quality fixtures ad fittings. The property is ideal for hobby
