Fantastic Investment!!

A great opportunity exists to purchase 2 homes on a great level 1069m2 block. The potential return is approximately \$20,000 per annum. The property consists an older style 2 bedroom home and a modern 3 bedroom home at the rear with sunroom and split system A/C. This is a rare chance to purchase such a great investment in this top location. In the heart of town minutes walk to shops, schools and station.
