## Quality Retreat - 2737m2

Quality built four bedroom home on a fantastic block offer here, set back from the road with peace and privacy assured. Featuring beautiful raked ceilings and window designs this home has a certain flair with a unique design. Quality timber floors throughout, ducted reverse cycle air, formal and in formal living, and stainless steel flyscreens are just some of the features on offer. Externally, the property is on the favoured envirocycle system and there is a great yard with a stunning bush backdrop for the kids to play, and there is post and rail fencing surrounding the property. If you are after a great family home with room for the kids and a bush setting...Then look no further!
