Dual Occupancy...Almost Half An Acre!!

What a fantastic opportunity for the smart investor...With a potential return of \$36,400.00 P.A on offer, and a huge 1834m² parcel of land with potential to subdivide S.T.C.A. This property will not sit long on the market! It must be viewed to be appreciated and in order to get an understanding of how the full return can be maximised.
