- Tree lined street upon entry what a great spot to live relax and enjoy
- A new estate - Quality executive homes surrounding
- Child friendly area, safe for the kids and enough room to kick the footy
-

Located at the end of a cul-de-sac street with privacy assured

- The convenience of living on a rural block with everything at your door step

Stargard Estate is located approximately 1km from the town centre. A rural subdivision with every block over 3000m²! It is certainly regarded as one of Picton's finest estates, with all the homes under two years old and built to a high quality. The home has it all and is priced at the right money, so be quick to book your inspection today.

To fully appreciate this home and countryside views an inspection would be required. For any further information please call our office.
