## Renovated Family Home - 620m2

This four bedroom brick home has been tastefully renovated and modernised. This house boasts a cosy lounge room with a slow combustion fire place, open plan living/dining area off the kitchen that flows onto a covered entertaining area. This home also has a lock up garage with power lighting and external access that enables you to drive another car under an extended car port or you can use it as an extra covered entertaining area. You only need to walk 200 metres to the local public school, playground, new local shops or even book the public tennis court for a game.

- 4 bedroom home with built ins to three
- Garden shed and two 10,000 litre water tanks
- Three way bathroom, separate toilet
- Split system air-conditioning and ceiling fans
- Insulation in the roof and front double sized bedroom
- Colorbond fencing, landscaped gardens and enclosed play area for children
