

6/22-32 Park Avenue TAHMOOR, NSW

Build your dream home today!!

This 700m2 block is located minutes from the local shopping centre. There are established homes surrounding. The area is a very quiet and peaceful spot to live and raise a family.

- The block has gentle slop towards the rear
- Electricity, power, water and town sewer
- A great opportunity to purchase a vacant parcel of land
- Popular position, close to the centre of town, 5 minutes to Picton

The owner has recently reduced the price and is opened to delayed terms.

Combined with the government grant of \$24,000 to first home buyers purchasing brand new homes (due to expire on 30th June 2009) this is a great saving!!

Build your brand new home in this established part of town, with quality homes surrounding. On offer is an attractive building block, and at this price it should be very appealing to the smart buyer.
