

Lot 3 Esen Way PHEASANTS NEST, NSW

Ideal Vacant 20 Acres

Rare opportunity to buy a great natural bushland block that is lightly timbered. Bike or riding trails and privacy and seclusion are a highlight. Mainly level with amazing views over Bargo River Gorge. Good Level building site. The school bus stops at the end of street. Around 13 minutes to shopping centre and railway. The last remaining blocks and the owner is very keen to sell. A unique property sure to impress.
