

Lot 4 Esen Way PHEASANTS NEST, NSW

A Rare Find Vacant 30 Acres

Mainly level with incredible views over the Bargo River Gorge. Rare opportunity to buy a great natural bushland block lightly that is timbered. Bike or riding trails and privacy and seclusion are a highlight. Good Level building site. The school bus stops at the end of street. Around 13 minutes to shopping centre and railway. The last remaining blocks and the owner is very keen to sell. A unique property sure to impress an astute buyer.
