

60 Railside Avenue Bargo, NSW

A Business Opportunity

The growing township of Bargo offers this great commercial opportunity. This modern building is being offered for sale having great corner exposure as soon as you drive into Bargo.

Offering a great window display and attractive building with approximately 226m² floor space.

This is a prominent position sure to attract a lot of attention for business. The building is currently one large shop space; however it has been approved as 3 separate shops allowing the opportunity to rent out separately.
