Convenient Country Living on 866m2

THIS PROPERTY WILL NOT LAST LONG ON THE MARKET!

A home that has country charm and character will be sure to impress. All the work has been done having a full renovation in recent years. This is a solid home, huge in size having ample living areas and large bedrooms. Looks can be very deceiving and this is certainly a rare find in the market place.

Take advantage of this hot spot within walking distance to all facilities on a near level parcel of land having plenty of room for the kids to play. The property would be ideal for the young family, smart investor or a retired couple looking for something close to town.
