BE QUICK TO SECURE THIS ONE AS IT WILL NOT LAST LONG ON THE MARKET!

Are you looking for that home for your family to grow into? Then this property is a must! The current owners have enjoyed the property for the last 21 years but sadly the kids have gone and now it's the empty nesters flying the coup.

What more could you ask for with this beautifully renovated family home that offers a tradesman's shed sure to impress anyone looking to work from home or just to have extra storage space.

This is an appealing property in a sought after area, situated on the high side of the street on a large 1705m2 block with side access. The home has had a full renovation recently with nothing more to spend, just move in and enjoy. Distant rural views never to be built out in one of the best streets in Picton.

The property has development potential also subject to council approval.
