Rural Paradise on 5 Acres

We are proud to offer ?Stoneyfield? to the market an exclusive rural property located in the rich cherry growing district of Lakesland. There is plenty of appeal & character in the sale of the charming country residence.

The current owners have put a lot of hard work into the property with the mature established gardens and amazing presentation of the home. The property has an abundance of native wildlife including a variety of birds and kangaroos. Enjoy the walking and riding trails within the property.

The majority of the land is natural bushland with a third cleared. The property is elevated with distant rural views. The home has had a full renovation in recent years with quality fixtures ad fittings. The property is ideal for hobby farmers, tradesman, truck drivers or anyone one looking for that peace and quiet location.

- ? Charming 4 bedroom home with study on 5 acres
- ? Beautiful timber kitchen with stainless steel appliances
- ? Ducted air-conditioning and combustion heating throughout
- ? 3 living areas, polished timber floor, downlights
