A Special Home on 984m2

What more could you ask for with this character filled residential home with immaculate presentation in a quiet leafy street sure to impress anyone looking to move straight in with nothing to do

This is an appealing property in a unique position situated on a large level block with potential for dual occupancy subject to council approval.

The home has had a full renovation recently including: new kitchen, carpet, bathroom, blinds and freshly painted with new gas hot water system.

This is a beautiful rural streetscape having established gardens and a wide street that creates plenty of space for this home in the heart of Wilton Township. The property is faultless in presentation and has many more wonderful features:

? Appealing 4 bedroom home on 984m2
? New kitchen having stainless steel appliances, induction cooktop and great yard views to keep an eye on the kids.
? Open spacious living area flowing to outside entertaining
