Family Living on 1985m2

What a great opportunity to secure this renovated family home offering a lovely rural outlook on a huge 1985m2. It is very hard to find this kind of property in today's market that offers a large parcel of land and a quality home with nothing else to do but move in.

This beautifully presented home features four bedrooms with ample living space for the family including formal lounge, meals area off kitchen, study or home office plus a huge living room which flows to an impressive covered merbau outdoor deck, perfect for entertaining or just sitting back watching the native birds and enjoying the peaceful rural outlook.

A lot of hard work has been put into this one and is a must on your inspection list.
