Central Bargo - Granny Flat- 7152m2

We are excited to offer this premier property to the market place. The property is ideally located in the centre of Bargo in a future growth precinct. The home has 4 bedrooms plus a granny flat and sits on a near level parcel of land in a very quiet street.

The property has perfect presentation in a top street and has been freshly painted with new carpet throughout. The current owners after many years here have decided to sell & downsize leaving a great opportunity for the new buyers.
