Picture Perfect in Picton !

Fabulous property in Picton on over 1/2 an acre with a newly renovated home.

This is a rare find indeed, huge level double block with a gorgeous fully refurbished home. To be enjoyed is the beautiful flow of the floor plan, with spacious living areas and high raked ceiling to the rear lounge area.

The slick kitchen is a delight with breakfast bar, European appliances gas cook top and pop-up power tower for kitchen island. The bathroom renovation is second to none with frameless show, floor to ceiling tiles and even includes a laundry chute. Abundant storage is also a key feature to this delightful property.

Enjoy the ambiance of the huge insulated undercover entertaining area, comfortable all year round. The back yard features glorious sculpted fish ponds for your enjoyment.

The property is ideally located - a stones throw to the Wollondilly Leisure Centre & walking distance to schools and railway station.
