Big Block - Great Location !

Great opportunity to purchase a big block in Tahmoor. The property is level, beautifully maintained and in a great location. The house is a neat as a pin and encompasses two separate living areas and a rumpus room.

The kitchen is the heart of the home, updated four years ago and has soft close drawers with plenty of cupboard space.

Outdoors is enhanced with a large undercover alfresco area and beautifully maintained gardens with lovely ferneries and established citrus trees.

With a huge yard there is great potential to add a granny flat, pool or both (STCA) ! Don't miss this chance to secure a huge block in Tahmoor.
