Beautifully set amongst acres and lush gardens this 2-3 bedroom home is one of a kind. Heritage brick coach house transformed into a warm inviting home. Near new kitchen with breakfast bar, Caesar Stone bench tops and gas cook top only.

- Modern bathroom and internal laundry.
- Centrally heated.
- Miele front loading washing machine, Bosch dishwasher plus bar fridge included (can be removed if required).
- Double carport and acres to look over.
- Tank water is included and no need to worry about the gardens they are all looked after for you.

This property has a common driveway with the neighboring property, long term lease preferred.

Wilton Township is vastly growing and expanding due to its location being so convenient to the freeway
