THE OWNERS HAS INSTRUCTED US TO SELL

We are proud to present to the market this rare opportunity to purchase in an established area of the older part of Bowral. This attractive home is set behind a quaint picket fence with automatic gates and beautiful established gardens.

The detail to the presentation and quality of this property is a credit to the current owners, who have loved the highlands lifestyle but have decided its now time to move on.

The home is ideal for the larger family with room for the in-laws. The new solar panel set up is certainly a cost
